POLICY STATEMENT
The school's budget will be aligned with the Comprehensive School Improvement Plan. The CSIP committees will conduct a needs assessment for the budget planning purposes with all staff members and other stakeholders. The CSIP committees will recommend expenditures to the SBDM council through work completed on the CSIP. To meet the needs of the CSIP, funds will be provided through Instructional Funds, Title I, PD, ESS, Family Resource Center, PTO, General Funds and other funds as they become available. Additional requests for teacher needs will be shared through an annual teacher's wish list and ongoing teacher request. These requests will be funded through the school's general funds, providing that the funds are available.
