

Fred and Betty Jo Haas Scholarship

The Fred and Betty Jo Haas Scholarship is a one-time award of \$1,000 to a successful student with strong connections to the former Lynch Independent School District and/or to the Lynch community.

The daughter of a coal miner, Mrs. Haas grew up in Lynch and graduated from Lynch High School. Her dream had been to become an airline flight attendant up until after graduation. Then one day soon thereafter, she decided she did not want to pursue the profession. She saw her Supt. Mrs. Johnson who exclaimed "Praise the Lord, Hallelujah" indicating she believed she had come to her senses and realized her great potential. Supt. Johnson had her enrolled in Georgetown College the next year. She later transferred from Georgetown College to the University of Kentucky where she met her husband, Fred. She earned her Master's degree at Northern Kentucky University. She has taught business education classes at the high school level and most recently computers at NKU. She has since retired. Currently residents of Northern Kentucky, Mrs. Haas still has family in the area. She has enjoyed returning to Harlan County for the annual Bulldog Reunions. She wants to give back to her hometown by assisting students with advancing their education and pursuing their dreams.
