- \$2,500 annually pro-rated base on \$1,250 per semester* (See below about Scholars receiving TN Promise)
- Money is paid directly to the college
- Funding begins in the fall semester following high school graduation
- Scholarships are for one year. It is the desire, funds permitting, that the scholarship will be available for an additional year. If funds do permit, current Scholars must meet all qualifications in order to continue as a Mission of Hope Scholar.
- Scholars will also be paired with a Mission of Hope Mentor to help and encourage them.

All Mission of Hope Scholars must...

- Maintain a minimum of 12 Credit Hours per semester and a minimum 2.5 GPA **per semester**
- Provide Mission of Hope a transcript (an unofficial copy is fine) or screenshot of your grades immediately upon receiving them at the end of each semester. **Transcript/Screenshot must show course name, grades & credit hours and semester GPA. The next semester check will not be sent until grades are received.**
- Respond in a timely manner to any correspondence from the Mission of Hope office and/or their Mentor

You will be ineligible for a Scholarship if you fail to maintain any of the above requirements.

*If the selected Tennessee Scholar is attending a 2-yr community college and receives the Tennessee Promise Scholarship as well, the student will receive a portion (\$750 per semester) from the MOH to cover books and fees (costs not covered by Tennessee Promise). As you are aware, the full value of our Scholarship is \$2,500/year. Therefore, the balance of the remaining Scholarship (\$500 per semester), will be banked by the MOH in that students name, to be used towards pursuing a 4-yr degree should the student decide to continue their education beyond the 2-yr community college. (Please note: this money will only be banked for up to 3 years post High School graduation. At that time, if the student has chosen to not continue on with a 4-yr college/university, that money will roll back into the MOH Scholarship Fund to support other students in the future.)
