"Physics is Fun" 5th-
8th Grades

The Wildcat News is published by the Evarts Elementary FRYSC monthly as a service to the students and families of Evarts Elementary School. We welcome your comments and suggestions. Articles and photos can be submitted for publication in the newsletter by dropping them off at the school or the FRYSC Office. Printed with FRYSC Funds.

Mission of Hope Visits EES

Mission of Hope and Sevier Heights Baptist Church recently held their Back-To-School Event at Evarts Elementary School on August 23, 2013. The event brings members of Sevier Heights Baptist Church to our school to provide students with needed school supplies. Backpacks filled with notebooks, pencils, crayons, and other school supplies were distributed to all students. Sevier Heights Baptist Church also provides our school with a Christmas event each year. Through their help and support, the Evarts Elementary FRYSC, is able to provide our students with the resources they need to succeed.

Animal Show at EES

The Evarts Elementary Family Resource Youth Services Center (FRYSC) sponsored an Animal Show on August 29 at the School. Scott Shupe, nationally known naturalist, presented the program "World of Reptiles" to kindergarten through 8th Grade students. Students were able to view and learn about several species of reptiles such as a Corn Snake, Burmese Python and King Snake.
