

Scholarship Memo #3

October 11, 2017

Kentucky Concrete Association Scholarship

Amount: \$2,000

This program was conceived in an effort to better educate young people about the concrete industry. This essay contest is an opportunity for young people to learn about the importance of our industry and what concrete contributes to society.

Essays will be judged on content and writing ability. Possible themes include concrete's benefit to society, how concrete affect the environment etc..

Applications and essay criteria are available in the guidance office.

All application material must be postmarked by Thursday, November 30, 2017.
