

Comprehensive School Improvement Plan

RESPONSIBILITY

Each school council, or Principal, in a school without a council, shall develop, monitor, and annually update a Comprehensive School Improvement Plan (CSIP) by January 1 of each school year.

In an SBDM school, the school council shall organize a planning process, consistent with District's established planning process. The structure of the CSIP shall include completion of the Continuous Improvement Diagnostic between August 1 and October 1 of each school year and completion of the needs assessment between October 1 and November 1 of each school year.

In a school without a council, the Principal shall appoint a School Planning Committee comprised, at a minimum, of four (4) teachers, four (4) parents, and a community representative. The high school(s) shall include a student on the committee. The community representative shall not be a teacher, spouse of a teacher, or a parent of child(ren) attending the District schools.

The primary purposes of the CSIP shall be:

- To improve student achievement on state and federal mandated testing/accountability instruments; and
- To eliminate achievement gaps among groups of students.

FORM

Unless the school planning committee requests and is granted a waiver by the Board, the school committee shall use any improvement plan format that has been established and approved by the Board. The CSIP structure shall include the components set out in [703 KAR 005:225](#), Every Student Succeeds Act of 2015 (ESSA), and the elements required by [KRS 158.649](#).

In addition, the school council, or school planning committee appointed by the Principal if there is no council, shall review annually the school's disaggregated student data and revise the school's improvement plan, as required by applicable statute and regulation, to address any achievement gaps between various groups of students.

The plan shall also address the reduction of physical and mental health barriers to learning, student equity, District safety and student discipline assessments, and District goals established by the Board.

The school plan shall serve as a resource for school/council decision making and shall be posted to the school's web site.

PUBLIC REVIEW

The Principal shall convene a public meeting at the school to present and discuss the plan prior to submitting it to the Superintendent and Board.

SCHOOL REPORT CARDS

Each school shall post its school report card on its website as required by ESSA. School report cards shall be widely accessible to the public, in an understandable and uniform format, and when possible, written in a language that parents can understand.

Comprehensive School Improvement Plan**SCHOOL REPORT CARDS (CONTINUED)**

As outlined in [KRS 160.463](#), a copy of the report card is to be publicized by one of the following methods:

- a. In the newspaper of the largest general circulation in the county;
- b. Electronically on a website of the District; or
- c. By printed copy at a prearranged site at the main branch of the public library within the District.

If b or c above is selected, the Superintendent shall be directed to publish notification in the newspaper with the largest circulation in the county. The notification shall include the electronic address of the website or the address of the library where the report card can be viewed by the public.

Each school shall send to parents a school report card containing information about school performance as outlined in [KRS 158.6453](#) and [703 KAR 005:140](#), and information on electronic access to a summary of the results for the district shall be published in the newspaper with the largest circulation in the county.

BOARD REVIEW

The school's plan for eliminating achievement gaps among various groups of students shall be presented to the Board for its review and comment. The Board may share its comments, in writing, with the council.

In keeping with Board Policy 02.44, each School Council or School Planning Committee shall annually report to the Board regarding the progress toward achieving the goals and desired outcomes and meeting the needs identified in the improvement plan, including those for student groups for whom data indicate an achievement gap exists.
