About the Frank Brittain Hall of Fame

Frank Brittain
1904-1996

Harlan County Public Schools Superintendent Timothy W. Saylor had a goal for establishing a program to honor the district's outstanding students who excel in academics and athletics.

As a result, Mr. Saylor formed a committee to pursue this endeavor for the Harlan County Public Schools' Hall of Fame, designed to honor these outstanding students in a prominent public location.

With the outstanding support offered by the family of Mr. Frank Brittain, a longtime and devoted employee of the school district, the recognition program has been named to honor Mr. Brittain's many contributions to the school system and public education in Harlan County, which spanned more than six decades.

Mr. Brittain's faithful dedication and service to the students and citizens of Harlan County are immeasurable. He was a devoted educator to the children of Harlan County, serving Harlan County Public Schools for more than 60 years as a teacher, principal, assistant superintendent and as director of maintenance and building and grounds. His career began in 1929 at Beech Grove where he taught several years before returning to Berea College and the University of Kentucky where he earned his bachelor's degree and master's degree.

He served in administrative capacities as principal at Yancey, Liggett, Bardo and Elzo Guthrie elementary schools. He then served as assistant superintendent of the Harlan County Public Schools. From 1966 to 1993, he served as the school district's director of maintenance and buildings and grounds.

Mr. Brittain received his elementary education at the one-room Beech Grove Elementary School at Mary Alice. He received his high school education at Berea by working at the college during each term. His employment in and around coal mines in the summer months made possible his return to school each fall.

Mr. Brittain's life spanned 92 years, from August 10, 1904 to November 18, 1996. He was a devoted husband, father, grandfather and great-grandfather.
