

The Connecting with Characters Contest was held at the University of Kentucky in conjunction with the 2017 Anne McConnell Conference on Youth Literature (October 20). This year's conference featured the author and illustrator Michael Hall. Contestants from EES listened to book written by Michael Hall and then created drawings of their favorite character. Mrs. Huff submitted artwork from all K-2 students at EES and three of her students won! Winners were Riley Anglian, Ella Card, and Aubrey Napier.
