

Meal Delivery / Pick Up

Harlan County Schools Food Service is pleased to announce plans to provide meals to our students during the on-going pandemic. The link below will provide you with details and offer you the opportunity to sign up for meal delivery or pick up. Five days of breakfasts and lunches will be available for delivery or pick up on Mondays while students attend virtually. As always, if

you have questions you can contact our Central Office at 606-573-4330. A form should be completed for each child enrolled in the Harlan County School District. If unable to complete the online survey, please contact your school office at your earliest convenience to schedule your meal delivery/pick up. More detailed information is included in the link provided.
